- Russian: Native

SUMMARY

I am an experienced and passionate Front-End developer with knowledge of HTML, CSS, JavaScript and React. I have a proven track record of utilizing the Agile /Scrum methodology to successfully deliver projects on time, within budget and with a focus on user-friendliness. I thrive in challenging and dynamic environments where I can help make a positive difference to both everyday life and business with my creative problem-solving skills. I am a fast learner, responsible and always up for a challenge.
